WORK EXPERIENCE

SKOL MARKETING

Web Developer | April 2019 - Present

Work with clients to bring their ideas to life as well-optimized, functional, user-friendly websites

NINTENDO ENTHUSIAST

Video & Podcast Editor | July 2019 - Present

Audio and video producer for the "Switch On!" podcasts for YouTube and SoundCloud as well as "Switch Clips" for Facebook.

ZELDA UNIVERSE

Video Editor & Audio/Podcast Editor | Sept 2016 - Present

Edit together raw footage of a host recapping the news with relevant and complementary imagery and footage to create a cohesive narrative. Also edits of audio-only podcasts to improve audio quality and improve the flow of conversation. Completed audio/videos are posted to YouTube with a custom thumbnail.

CAPTURE COMPANY CREATIVE

Graphic Design, Social Media Marketing, Video Editing | Sept 2018 - Feb 2019

Determine size and arrangement for illustrative material and copy for specific clients. Observe social media pages and client reviews.

AUTOMOTION

Video Editor & Production Assistant | Feb 2017 - Sept 2017

Development of mobile app modeled from clients website. Created videos of specific car brands and models highlighting specific features and customizations. Also created the backgrounds for the app pages.

SOFTWARE & SKILLS

Adobe Premiere Pro | Adobe Photoshop | Adobe InDesign |
Microsoft Office Suite | Maya | Unity | Slack | Trello | Social Media |
YouTube | Customer Service | Guest Relations | Time Management |
Organization Skills | Problem Resolution | Team-Building

ESSLINGER & CO.

Video Editor | Dec 2015 - Mar 2016

Worked in advertisement sales. Popular products were given to me and I shot beauty shots of the product (video and pictures) and in use shots of how the product is used. Shots were then edited into a video and uploaded to the company website and YouTube.

MINNEAPOLIS MEDIA INSTITUTE

Video Editor | Jun 2014 - Jun 2015

Extra curricular activity put on by the school. I was a lead video editor who also worked with using sound, a boom mic, and filming with a DSLR camera. Bands were filmed playing their songs then interviewed to learn more about them, then I edited the videos into a 7-12 minute long video.

..... CUSTOMER SERVICE EXPERIENCE

TGI FRIDAYS

Shift Lead Server | April 2012 - Nov 2019

Waiting tables is my main job. I was a morning shift lead so I over-saw other servers, I would always communicate with them to see if they needed help, if they did I would make sure they received assistance. I was responsible for keeping the team busy during slow times and keeping the customers happy. I also handled my own cash flow.

LUPIENT NISSAN

Administrative Assistant | July 2009 - May 2014

Customer service and guest relations. Kept waiting area tidy and restocked beverage station. Kept files and documents organized while maintaining and up-keeping them. Closed tickets by paying out customers and handled a cash register. Used Microsoft Word, Excel, and PowerPoint on a daily basis.

An adaptable, creative professional with 7+ years of video editing and graphic design experience, as well as 12+ years of customer service experience. Always willing to learn new programs and skills.
Desires to grow and build myself with a company.

..... EDUCATION

Minneapolis Media Institute

2014 - 2016

Associates in Animation and Game Design
Received Valedictorian & Leadership Award

Rochester Community and Technical College

2011 - 2014

Associates in Liberal Arts and Sciences
Graduated with Honors
